**Fresh Kolbassa** **\$6.00/lb.**  
Homemade by the Men of Saint John the Baptist Orthodox Church. This Kolbassa is made with lean pork, seasoned with fresh garlic, savory spices and stuffed in natural casings. **A Special Old World Favorite for your traditional Pascha basket and recipes!**

**Smoked Kolbassa** **\$6.00/lb.**  
This Kolbassa is the same as the fresh recipe however; it is then smoked for hours to give it a taste that will keep you coming back for more. **This is another nice choice for your Easter gatherings!**

**Hot Sausage** **\$6.00/lb.**  
This sausage includes fresh crushed red pepper, garlic, fennel, anise, parsley and other special seasonings to give this fresh pork sausage an excellent flavor that is tangy, but not too hot, just right! Due to demand, we offer this variety in both casing and loose. **This is a good option for those looking for a little extra zip or just something different!**
