August 19, 2023

Dear Member of Our Local Business Community,

Our parish family is having an all you can eat breakfast open to the community on October 14, 2023 during the Houston Pumpkin Festival. We are doing this as a fundraiser to help benefit the local first responders of the Houston police, fire and EMS. Often forgotten and overlooked, we would like to take the time to say "thank you" to those who face life threatening situations and put themselves in harm's way on the front lines every day for our communities. October 28th is National First Responders Day and we would like to offer every first responder in our area the opportunity to receive a free hot breakfast at our event as a token of our appreciation. All profit from the event will be divided up and donated between the three local entities.

At the breakfast, we are providing an advertisement opportunity for local businesses that would like to help in sponsoring our event. This year we are offering two different sponsorship opportunities. 1) For a \$100 tax-deductible donation, your business can sponsor one of our twelve dining tables (first come, first served basis). We will place a large advertisement on the table notifying patrons of your sponsorship and also a smaller advertisement in a multi-business advertisement handout which will be placed at each table setting. 2) For a \$25 tax-deductible donation, we will place a business card for your business in a multi-business advertisement handout that will be placed at each table setting. Your company's business information would be on every table promoting your business. This would be a great way to advertise your business to the community.

If you would be so generous as to become a sponsor, please see the attached form for more details. We sincerely hope that you will be able to participate in this opportunity. For questions, please reach out to Elizabeth at 412-639-6597 or EASweda@comcast.net. **Deadline is 09/30/23.**

Thank you in advance for your support!!!!

Sincerely,

Elizabeth Sweda
