REACHING THE NEXT GENERATION AT ANCIENT FAITH

Ancient Faith is enjoying a season of growth and transition. As our staff gets younger and our community expands, we're learning new ways to think about communication and to invite those whose backgrounds are different from our own to the Orthodox Church. Join Melinda Johnson for a conversation about Ancient Faith Ministries, where it came from, and what we can learn from where it's going.

Melinda Johnson is the CEO of Ancient Faith Ministries, a nonprofit Orthodox Christian media ministry based in Chesterton, IN, that serves Orthodox Christians and seekers in over 120 countries. She is a Khouria, wife, mother, author, and enthusiastic supporter of the many good people whose work makes Ancient Faith possible.
