

Church School Luminary Project

Remember your departed loved ones at Pascha this year with memorial luminaries lit before the midnight service.

Each luminary will have a special label as shown below created from the information you provide. The cost is \$5.00 per luminary and proceeds benefit the Growth and Development Fund.

Order forms are available in the narthex. **They must be turned in by April 21** to Leah Stockman or dropped off at counter in the narthex.

We hope the luminaries will be a beautiful reminder of those who have gone before us as we circle the church on Pascha night.
